OFFICE OF THE EXECUTIVE SECRETARY

8 January 1982

81-8219

TO: Deans and Directors of Teacher Education
FROM: John F. Brown, Executive Secretary
SUBJECT: Health Science Waiver Programs

Coded Correspondence 81-8213, dated October 9, 1981, announced the establishment of a moratorium on all new waiver programs, effective October 15, 1981.

At its December meeting the Commission took action to exempt Health Science Waiver Programs from the moratorium. This exemption was enacted on the basis that this credential was only recently established, and had been subjected to current thinking and requirements of the field.

Please notify appropriate staff members, and departments, of this exemption so that those wishing to submit Health Science Programs for waiver may move to do so.
